* We are trying to create an exhibition of life in Potterhanworth over the last 70 years (the duration Queen Elizabeth's reign). Potterhanworth History Group are looking for stories, photos, images and mementos. Please see overleaf if you have anything to contribute.

We would like to make this event a great celebration of village life and something we will always remember. It's an ideal opportunity for all villagers to get involved and for us to come together as a community.

We need support to set up and pack away the events, man the bars and run various events. If you can, please volunteer and become part of the team.

In the past these events have been a truly joyful time together, but villagers need to get involved and we would love to hear from you.

Please contact Nigel Sardeson, <u>n.sardeson@outlook.com</u>.

We have managed to make these events free for the villagers in Potterhanworth. We would like to thank the Potterhanworth Beer Festival Committee, the Culfrey Trust, Potterhanworth Parish Council, Christs Hospital Endowment Fund, the Church, The Chequers and the Hanworth Park team who are funding these events.

Many Thanks.

Potterhanworth Through The Ages

Request for submission of photos

We are preparing a 4 day program for the Jubilee Celebrations from 2nd – 5th June 2022.

As part of the activities we want to install a photo exhibition called "70 years of Potterhanworth 1952 – 2022", most probably on display in St Andrew's Church and / or The Memorial Hall. Ideally, we will have one photo from each year since 1952 depicting the events and developments in Potterhanworth over last seven decades.

We would like to collect photos, with short captions, from Potterhanworth residents. You can either send them electronically (ideally in a high resolution) to Cllr Martin Ott (<a href="https://ottps

The selection and presentation will be done with the help of our local historian Ian Jackson. We might even produce a small booklet with the seventy photos that could be purchased for a small amount during the jubilee days.

Your support and help are most appreciated!

Cllr Martin Ott (Potterhanworth History Group)
